or postal address that the creditor has on file for the applicant. Sending the disclosures a second time to the same electronic address is not sufficient if the creditor has a different address for the applicant on file.

16(f) Electronic Signatures.

1. Relationship to the E-Sign Act. The E-Sign Act provides that electronic signatures have the same validity as handwritten signatures. Section 106 of the E-Sign Act (15 U.S.C. 7006) defines an electronic signature. To comply with the E-Sign Act, an electronic signature must be executed or adopted by an applicant with the intent to sign the record. Accordingly, regardless of the technology used to meet this requirement, the process must evidence the applicant's identity.

Section 202.17—Enforcement, Penalties, and Liabilities

17(c) Failure of compliance.

- 1. Inadvertent errors. Inadvertent errors include, but are not limited to, clerical mistake, calculation error, computer malfunction, and printing error. An error of legal judgment is not an inadvertent error under the regulation.
- 2. Correction of error. For inadvertent errors that occur under §§ 202.12 and 202.13, this section requires that they be corrected prospectively.

APPENDIX B—MODEL APPLICATION FORMS

- 1. Freddie Mac/Fannie Mae form—residential loan application. The uniform residential loan application form (Freddie Mac 65/Fannie Mae 1003), including supplemental form (Freddie Mac 65A/Fannie Mae 1003A), prepared by the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association and dated October 1992 may be used by creditors without violating this regulation. Creditors that are governed by the monitoring requirements of this regulation (which limits collection to applications primarily for the purchase or refinancing of the applicant's principal residence) should delete, strike, or modify the data-collection section on the form when using it for transactions not covered by §202.13(a) to ensure that they do not collect the information. Creditors that are subject to more extensive collection requirements by a substitute monitoring program under §202.13(d) or by the Home Mortgage Disclosure Act (HMDA) may use the form as issued, in compliance with the substitute program or HMDA.
- 2. FHLMC/FNMA form—home improvement loan application. The home-improvement and energy loan application form (FHLMC 703/FNMA 1012), prepared by the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association and dated October 1986, complies with the requirements of the regulation for some creditors but not others because of the form's section "Infor-

mation for Government Monitoring Purposes." Creditors that are governed by \$202.13(a) of the regulation (which limits collection to applications primarily for the purchase or refinancing of the applicant's principal residence) should delete, strike, or modify the data-collection section on the form when using it for transactions not covered by \$202.13(a) to ensure that they do not collect the information. Creditors that are subject to more extensive collection requirements by a substitute monitoring program under \$202.13(d) may use the form as issued, in compliance with that substitute program.

APPENDIX C-SAMPLE NOTIFICATION FORMS

- 1. Form C-9. Creditors may design their own form, add to, or modify the model form to reflect their individual policies and procedures. For example, a creditor may want to add:
- i. A telephone number that applicants may call to leave their name and the address to which an appraisal report should be sent.
- ii. A notice of the cost the applicant will be required to pay the creditor for the appraisal or a copy of the report.

(a) Authority. This regulation is issued by the Board of Governors of the Federal Reserve System ("Board") pursuant to the Home Mortgage Disclosure Act ("HMDA") (12 U.S.C. 2801 et seq.), as amended. The information-collection requirements have been approved by the U.S. Office of Management and Budget ("OMB") under 44 U.S.C. 3501 et seq. and have been assigned OMB numbers for institutions

A number for the National Credit Union Administration is pending.

(b) *Purpose.* (1) This regulation implements the Home Mortgage Disclosure Act, which is intended to provide the public with loan data that can be used:

(i) To help determine whether financial institutions are serving the housing needs of their communities;

(ii) To assist public officials in distributing public-sector investment so as to attract private investment to areas where it is needed; and

(iii) To assist in identifying possible discriminatory lending patterns and enforcing antidiscrimination statutes.

- (2) Neither the act nor this regulation is intended to encourage unsound lending practices or the allocation of credit.
- (c) Scope. This regulation applies to certain financial institutions, including banks, savings associations, credit unions, and other mortgage lending institutions, as defined in §203.2(e). The regulation requires an institution to report data to its supervisory agency about home purchase loans, home improvement loans, and refinancings that it originates or purchases, or for which it receives applications; and to disclose certain data to the public.

§ 203.2 Definitions.

In this regulation:

(2) Preapproval programs. A request for preapproval for a home purchase loan is an application under paragraph (b)(1) of this section if the request is reviewed under a program in which the financial institution, after a com-

prehensive analysis of the creditworthiness of the applicant, issues a written commitment to the applicant valid for a designated period of time to extend a home purchase loan up to a specified amount. The written commitment may not be subject to conditions other than:

(i) Conditions that require the identification of a suitable property;

(ii) Conditions that require that no material change has occurred in the applicant's financial condition or creditworthiness prior to closing; and

(iii) Limited conditions that are not related to the financial condition or creditworthiness of the applicant that the lender ordinarily attaches to a traditional home mortgage application (such as certification of a clear termite inspection).

(c) Branch office means:

(1) Any office of a bank, savings association, or credit union that is approved as a branch by a federal or state supervisory agency, but excludes freestanding electronic terminals such as automated teller machines; and

(2) Any office of a for-profit mortgage-lending institution (other than a bank, savings association, or credit union) that takes applications from the public for home purchase loans, home improvement loans, or refinancings. A for-profit mortgage-lending institution is also deemed to have a branch office in an MSA or in a Metropolitan Division, if, in the preceding calendar year, it received applications for, originated, or purchased five or more home purchase loans, home improvement loans, or refinancings related to property located in that MSA or Metropolitan Division, respectively.

(d) Dwelling means a residential structure (whether or not attached to real property) located in a state of the United States of America, the District of Columbia, or the Commonwealth of Puerto Rico. The term includes an individual condominium unit, cooperative unit, or mobile or manufactured home
